

## To Whom It May Concern

This is to certify that

**HSWT Aspartame**

as manufactured and supplied by

**HSWT France SAS, France**

is a highly purified, high intensity Non-Nutritive dipeptide artificial sweetener synthesized chemically from two amino acids, L-Aspartic acid and L-Phenylalanine.

Aspartame is produced in a dedicated single product site with dedicated equipments.

Aspartame is not derived from cell culture and does not contain any components derived from beef or has not been in contact with any parts of animals origin during manufacturing, packaging, storage and distribution. **HSWT Aspartame is therefore free of BSE/TSE** and fully complies with the Regulation (EC) No 999/2001 of the European parliament and of the council of 22 May 2001 and with the Note for Guidance reference EMA/410/01 rev.3.
